

Volumes, dimensions, and other measures are nominal and may vary by approximately 2 %.

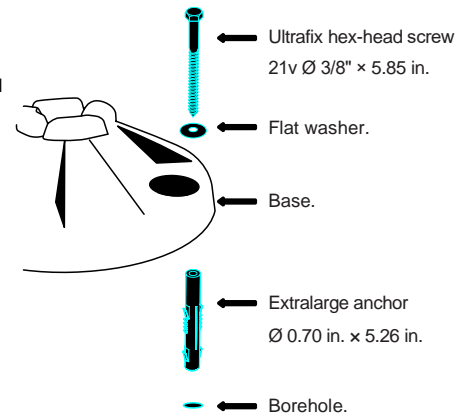

Measures

Total	Height: 3 ft 5 in. Base \varnothing 7 in. Top \varnothing 2.34 in.
Reflective:	2.34 in. \times 7 in. stripe.
Reflective color:	White or amber.
Weight:	2.28 lb.

Installation

Use the base of the delineator post as a template.
 Mark the four boreholes with a drill and a $\frac{3}{4}$ " concrete drill bit.
 Bore into the holes to a depth of 7".
 Place the anchors on the boreholes.
 Put the delineator post.
 Insert the screws and the $\frac{3}{8}$ " flat washers.
 Perfectly tighten the four screws with a $\frac{9}{16}$ " socket wrench.
 The installation is ready.
