

True leaders do not follow
...they lead the way

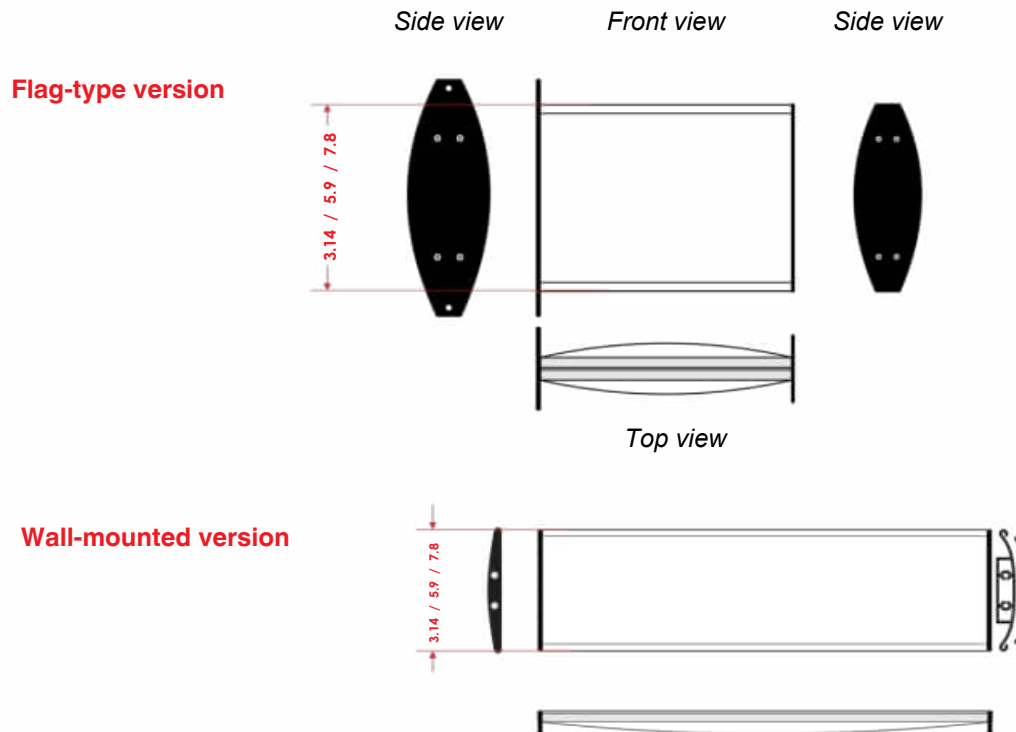

INTRODUCING PREMIUM SIGNS

- Elegant, high-quality signage with a distinctive profile.
- Perfect for indoor or outdoor use, these signs feature sleek curved panels and are available in wall-mounted, flag-style, and tabletop versions.
- Manufactured from extruded curved aluminum with a satin anodized finish.
- Frames accept a wide range of flexible films—digital prints, traditional lettering, or photoluminescent inserts—to ensure visibility even in dark environments, perfect for safety and emergency signage.
- Include anti-glare protective covers in glossy or matte finishes, and side caps made of high-strength black polymer or boomerang-style ends for tabletop models.
- Installation is fast and convenient, with built-in boreholes on wall models. They can be securely fixed to walls, doors, or partitions using rail clips or standard hardware.
- The system allows quick graphic replacement without removing the entire sign, making maintenance simple and efficient.
- Built with corrosion-resistant materials, these signs are designed for long-lasting performance.
- Recommended installation accessories include screw and anchor plugs for solid walls, toggle bolts for false ceilings, and double-sided adhesive tape for glass doors or panels.

Dimensions and other measurements are nominal and may vary by $\pm 2\%$
